Jump Start Kindergarten Enrollment
Parent/Guardian's Memorandum of Understanding**

Student: _____ Date of Birth: _____

The Bellflower Unified School District Jump Start Kindergarten Program is for children whose **fifth (5th)** birthday falls between December 3, 2011 and February 6, 2012.

The Jump Start Kindergarten Program will provide children opportunities to learn by being actively involved with appropriate materials in the areas of language arts and mathematics. It is the goal of this program to provide an early kindergarten experience that will assist children's academic and social readiness for the fall 2012 school year.

Eligibility and Enrollment Guidelines

In order to sign up a child, the following requirements must be met:

- The child must have their fifth (5th) birthday between December 3, 2011 and February 6, 2012
- A completed Jump Start Kindergarten registration form including:
 - Proof of residence:
 - Two (2) current utility bills in the parent's name (gas, electric or water only – no telephone, cable, cellular bills, or disconnection notices)
 - California driver's license or ID at the current address, (or California DMV printout showing current address - brown change of address cards not accepted)
 - A Birth Certificate

The class will have an enrollment not exceeding 33 students. Students will be selected for participation on a first come first served basis. Upon completion and submission of all enrollment documentation, the student's enrollment forms will be stamped with time and date. Selection of the first 33 students will be taken in rank order of 1-33. If enrollment does not meet the minimum of 28 students, the program will not operate this school year. Parents will be notified of their student's placement and will be required to complete the enrollment process by January 20, 2012. At that time, spots may be released and given to students on a waiting list. The Jump Start class is scheduled to begin on February 6, 2012.

Please be advised that no transportation will be provided for students attending Jump Start Kindergarten.

It is important for you to understand that this early enrollment into the Jump Start program does not move your child to first grade in the fall. Placement of your child in September 2012 will be in a full year kindergarten program at their school of residence.
