Back-To-School Night

The beginning of the school year is an exciting time for all of us. Back-to-School Night is one of the most important events on the school calendar. This night is a wonderful opportunity for parents/guardians to follow their student's class schedule and meet their teachers, know the homework and grading requirements, become familiar with the academic standards and learn first-hand what their student will be studying, all in one evening. Please remember that this night is designed to incorporate all parents/guardians in one evening and not for teacher-parent conferences. Appointments can be made with teachers at another time.

Personal involvement in your student's education is the key to academic achievement and success in school. We look forward to this evening where we can share in the excitement of knowledge and learning and bring together parents/guardians and educators to enjoy the pride, spirit, and academic goals and achievements of Bellflower Middle/High School.

Evening Schedule

- 6:00-6:30 p.m.** A welcome presentation by the school administrative team will take place during this time. The link to this presentation will be available on the home page of the school website: www.bellflowerhigh.org
- 6:30-8:10 p.m.** Parents/guardians will follow their student's class schedule beginning with first period. Each period will be **ten-minutes** in length followed by a **five-minute** passing period. Parents should access the teacher's Google Meet links located on the home page of the school website: www.bellflowerhigh.org

Please have your student complete his/her school schedule and bring it with you so that you may follow your student's school day.
