

Greetings from Bellflower Middle/High School,

This document will help you prepare your child to take the MAP Growth test. Please be available on the following days to support your child's testing:

NWEA MAP Growth MATH ASSESSMENT: 9/10-9/16 in Math Classes

NWEA MAP Growth LANGUAGE ASSESSMENT: 9/15-9/18 in ELA Classes

NWEA MAP Growth READING ASSESSMENT: 9/17-9/23 in Social Science Classes

What is MAP Growth?

MAP Growth helps teachers understand what students know today, so goals can be set to improve growth throughout the year. **Students cannot pass or fail this test.**

This test will not affect grades. In fact, it's normal for students to only answer about half the questions correctly. **Please don't help them!**

Given the challenges of learning from home, MAP Growth test results are especially helpful for us this year. **These results will help us know what students are ready to learn.**

Test Preparation

Prior to Test Day

1. Make sure your device has an internet connection
2. Disable pop-up blocking on your internet browser
3. Make sure your device meets testing requirements using the [Workstation Diagnostic Tool](#)
4. Watch the MAP Growth [introduction video](#)
5. Practice the test at [practice.mapnwea.org](#) (Username: grow, Password: grow)

On Test Day

1. Minimize distractions for your child as much as possible
2. Provide a quiet testing environment
3. Student will sign in to Google Meet session prior to starting the test
4. Allow the teacher/proctor to open the session first
5. Log in at [test.mapnwea.org](#)
6. Use the Google Meet session to communicate with the teacher/proctor during the test
7. Follow any additional instructions from the teacher/proctor
