School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

It is an honor to be a part of the Washington learning community. Washington is a place where teachers and staff work collaboratively to meet all the individualized academic needs of our students. Our goal is to have your child reach a standard of excellence by maximizing their academic potential. Thank you for sharing your children; they are truly a gift to us. One of our goals at Washington is to serve and nurture all our students. This begins with our TK and Kindergarten classrooms. We are committed to making every year an exceptional experience for all students. Our teachers work together interdependently in order to impact their practice in ways that would lead to better results for students, teams, and our school. Our goal is for teachers to engage in professional learning communities to discuss essential student learning needs, create instructional learning plans, develop assessments, analyze scores and set achievement goals for students. We focus on ensuring that our students receive the best instruction from an action oriented team of teachers. As principal, it is important for me that our staff, parents and students become partners in this journey that we have embarked upon. It is essential that all of us come to school every day happy and ready to give it our best. A positive attitude will enable us to become problem solvers in a safe, respectful, responsible and fun nurturing environment.

School Description and Mission Statement (School Year 2019—20)

We strive to provide an excellent instructional program with high expectations for all students. This challenge is achieved through the implementation of district standards, and a comprehensive sequential curriculum. As students enter Kindergarten they are held accountable to meeting state and district grade level standards throughout their academic career. Administration, teachers, and support staff work with parents to help monitor student achievement.

At Washington Elementary, we instill the passion to learn, the value of diversity, and the importance of perseverance. We encourage students to be respectful, responsible, and independent so that they become self-sufficient, contributing adults in their community. We are committed to building futures, to support educational reform to ensure that all students learn to think critically so that they are prepared for further learning, responsible citizenship, and productive employment in our changing society. We encourage parents and community members to participate in our school activities and to take an active role in promoting academic success for all our students.

Washington Elementary School is located in Bellflower. The facilities include 38 regular education classrooms, 12 portable classrooms, and a multipurpose room that also serves as the school cafeteria, a library, two computer labs, two parent/counseling centers, and two music rooms.

Washington serves 726 students. The attendance rate at the school was 95.57 percent during the prior school year.

School Facility Conditions and Planned Improvements

The appearance of a school's grounds, buildings, and classrooms influences the attitude of all who visit and use the campus. The district takes great efforts to ensure that all schools are clean, safe, and functional. The school's facilities support the special needs of all students. There are areas on campus, including the library media center, teachers' lounges, and a teacher's workroom, for students and staff to go for collaboration and research.

The campus has been landscaped and maintained as a park-like atmosphere for students to utilize during PE, recess, and lunch. An attractive wrought iron fence encloses the front of the school and all gates are locked and unlocked to accommodate the daily schedule. Signs are posted at the front gate informing the public that the school is tobacco free, and the school follows a "No Trash" policy that encourages students and staff to assume personal responsibility for the appearance of the campus. The district governing board maintains high cleaning standards for all schools in the district. The school office can provide details. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All campus restrooms are open and operational.

The campus has upgraded the teaching technology in each classroom. Students have regular access to wired and mobile computer labs. Each classroom has a digital presentation equipment with interactive software. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	31.0%	33.0%	50.0%	50.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	17.0%	22.0%	31.0%	32.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Family support is an integral part of the educational process. Without this vital link, the goals set in the mission and vision statements of the school would be unachievable. Making parents feel welcome in the school is an important role. The success of students has been the center of the school's strategies that send the message that family involvement is essential to advance our students' education. All family members are encouraged to attend our weekly flag ceremony at the beginning of each school day. There we make important announcements and recognize students' efforts and achievements. A coordinated effort between the community and the school provides a safe and nurturing environment for all children. Parents are leaders in decision-making in the PTA, on the School Site Council, on the English Learner Advisory Committee, and participate as parent volunteers. In order to build public confidence, special bulletins, flyers, and other forms of written communication elicit active participation and support for school programs.

School Safety Plan (School Year 2019—20)

The staff, students, parents, the Parent Teacher Association (PT A), and community members at the school strive to provide effective ways to give all students the safe, clean, healthy, and disciplined conditions that allow teachers to effectively teach and students to actively learn. The school's mission and vision statements place the physical, emotional, and psychological safety and well being of our students and staff among our highest priorities. All elements of the school, the education provided, the student support staff, the school's leadership, our parents and families, and the school's surrounding community, combine to produce a positive, safe, supportive and secure environment for all students. The school's comprehensive safety plan establishes regular review of emergency response plans, expectations for the cleanliness and timely maintenance of facilities, and behavioral norms. The school meets its obligation to provide support systems that promote the health and safety of students and adults alike.

The safety committee for the school meets several times per year to review and update the safety plan. Members bring concerns to the safety committee so that they may be addressed and all safety concerns dealt with in a timely manner to ensure that the campus is a safe place for students, staff, and parents. The safety plan was reviewed with staff in August 2019 including who to contact, the role of each member, emergency sweep teams, and evacuation routes. The plan was approved by the Safety Committee and School Site Council in November 2019. The plan will be reviewed and updated as needed throughout the year and submitted to Law Enforcement and Fire Authority for approval in February 2020. The Board of Education reviews and approves the comprehensive safety plan by March 1, 2020.

Types of Services Funded (Fiscal Year 2018–19)

In addition to general fund state funding, Bellflower Unified School District receives federal, state, and local aid for categorical, special education, and support programs, including but not limited to:

- After School Education and Safety (ASES) (Proposition 49)
- Lottery: Instructional Materials
- School Based Medi-Cal Billing Options
- Special Education
- California State Preschool Programs (CSPP)
- Title I, II, III, and IV.

Local Control Funding Formula (LCFF) money supports students as detailed in the district's Local Control Accountability Plan (LCAP), which is developed with input from a variety of stakeholder groups throughout the district's educational community.

Title I funds are used to supplement the instructional program with evidence-based educational strategies aimed at closing the achievement gap and supporting the educational need of low-income, low achieving, and other designated students with special needs, in meeting the state's challenging state academic standards. All schools receiving Title I funds are required to comply with provisions detailed in the federal Every Student Succeeds Act (ESSA).
