

MONSOONS!

**NEW
SCHOOL
POLICIES**

SWIPE FOR MORE INFO.

OFFICE CELLPHONE EXPECTATIONS

Effective immediately, students who report to an office will meet the following expectations.

Students will power down their mobile devices and turn them into the office staff. This is done to maintain a safe environment on our campus. It also helps us maintain the confidentiality and privacy of all students and staff in the office.

Students will receive their phone when they leave the office and return to class. If there is a disciplinary action pending or in process, the phone will be returned to the student's parent/guardian or student at the conclusion of the process.

FOOD DELIVERY POLICY

To maintain the health and safety of the Mayfair campus and to avoid unnecessary distractions and disruptions, deliveries of any kind to students are not permitted. This includes deliveries from friends/family and/or delivery services including but not limited to Uber Eats, DoorDash or GrubHub. This includes deliveries through the front office and/or through gates on campus. Items attempting to be delivered will be confiscated and are subject to parent pick up after school.

Please help us maintain a safe campus for all of our students. Monitoring what arrives on our campus is our primary safety concern. Please support us in this mission of keeping every Monsoon Safe.
