Dear Parent(s)/Guardian(s):

You are receiving this notice because your student will be attending *Las Flores Home Education* in the fall. Bellflower Unified has moved to electronic student data confirmation. The school district requires all families create an Aeries Parent Portal account to provide student data such as emergency contacts, health history, and authorizations.

Below, you will find the information that is needed to create your account. Parent Portal Set-up Instructions can be found online at, <https://www.busd.k12.ca.us/Page/3424>.

Student:
Phone #:
Student ID:
Verification Passcode:

Please make every effort to set up your account as soon as possible but no later than July 1st, 2020. Accounts can be set up from any device with Internet access. If you do not have Internet access, or are experiencing difficulty setting up your account, please contact *Las Flores Home Education*. *The office will be open until June 30th, 2020 and will reopen on August 5, 2020.*

It is very important that at least one parent of each student has a parent portal account. The data confirmation window will open beginning Monday, July 1, 2020. **Teacher and/or class schedule information will not be mailed home. When available, teacher/class information will be viewable on Parent Portal only if data confirmation is completed.**

Sincerely,

Ke'Len Armstrong
Principal
